My latest project is complete. I installed a Pioneer AVIC-D3, CD-BTB200 Bluetooth receiver, iPod cable, Sirius SC-C1 universal receiver, and Pioneer CD-SB10 Sirius bus interface yesterday. I will be posting a more in-depth installation review soon but here are some pictures of the installed product. Click the picture or "read more" below!

I received my Pioneer Avic-D3, Bluetooth adapter, iPod cable, Sirius SC-C1, and Pioneer CD-SB10 Bus controller interface. I will have a more indepth look at the installation and notes in the coming days. For now, here are some pictures of "the day after"...
